Items Needed

- 3 USPSA cardboard targets & target stands
- 4 barrels or anything to use as two barricades
- Sticks & clips to support targets
- Calculator or Hit Factor scoring app

Setup

- Place Target 1 (T1) 7 yards directly in front of the start line.
- Place Target 2 (T2) 3 yards left and 8 yards back.
- Place Target 3 (T3) 3 yards right and 3 yards back.
- T2 is 15 total yards from Start Line and T3 is 10 total yards from start line.
- Place barrels or barricades 3 yards up from Start Line and directly in front of Targets 2 and 3.

The Drill

- Magazine loadout is 3 and 6.
- Shooter loads the mag of 3 first.
- Shooter begins at the Start Line and is instructed to walk toward Target 1.
- When shooter is approx. 1 to 1.5 arm lengths away from T1, the timer should be activated.
- Shooter engages T1 with 3 rounds WHILE RETREATING to their choice of cover.
- Shooter conducts a slide lock reload and engages either T2 or T3 with 3 rounds.
- Shooter moves laterally and engages the final target with remaining 3 rounds.
- Shooter MUST engage Targets 2 and 3 from the OUTSIDE position i.e., the LEFT side for Target 2 and the RIGHT side for Target 3.

Scoring

- Hit Factor scoring is used: A = 5, C = 3, D = 1, and M = -10
- Targets must have 3 rounds. No makeup shots.
- The A Zone is modified for this drill, and carries all the way up to include entire head box.
- HF = total points divided by raw time
